**SINGLES.** The Fray have sold out every concert on their upcoming Australian tour, causing venues to be changed so more fans can join in the fun! With this news in mind, it comes as no surprise that their latest single *You Found Me* is once again at No.1 for the fourth week in a row, and their brand new self-titled album has debuted at No.3 this week. Meanwhile *Everybody's Free* by the Global DeeJays Feat. Rozalla has made a little jump from No.18 to No.7 this week, as has *The Fear* by Lily Allen which has moved from No.13 to No.8.

**No.46 JIZZ IN MY PANTS** – The Lonely Island. The Lonely Island is a trio of comedians; Akiva Schaffer, Jorma Taccone and Andy Samberg who all went to high school in California together. They are well known for their comedic short films, parody songs as well as the accompanying music videos and their work is very popular on Youtube. Their skits and music is also shown on *Saturday Night Live* where they also work as writers. This song comes off their upcoming album *Incredibad*.

**No.49 IF U SEEK AMY** – Britney Spears. For Spears' latest track she has teamed up again with co-writer and producer Max Martin, who is also responsible for past hits *...Baby One More Time* (No.1 Apr. '99) and *Oops!... I Did It Again* (No.1 May '00). The release of this song has caused controversy in the USA because of how similar the title resembles the spelling of a profanity, causing an alternative 'child friendly' track to be released with *If You See Amy* as the catch-line. This is the fourth track from Spears' latest album, the track with the highest peak is *Womanizer* (No.5 Nov. '08) followed by *Circus* (No.7 Jan. '09) and finally *Radar* (No.59 Sep. '08).

**No.67 LIFE ON MARS?** – David Bowie. Had Australian chart history followed that of the UK more closely, then this song would be a re-entry this week having originally charted somewhere between *The Jean Genie* and *Starmen* in the second half of 1973. However, while it was Bowie's sixth in the UK where it hit No.3, it has remained just a popular album track in Australia until this week. It's genesis as a hit single is due to its extensive use as the theme song for both the English series and American clone of that same series which have been recently and currently on Australian television respectively. This is David's Australian first chart single since May 1996 when *Hallo Spaceboy* reached the No.36 position.

**No.83 16** – SNEAKY SOUND SYSTEM. Since appearing at the Big Day Out around Australia in late January, the Sneakys have been on a mini tour that has taken in venues in Northern Territory and Queensland and will end this week in Canberra. After five chart singles from their eponymous first album, this is now the second chart single from their No.1 charting second album, 2 following *Kansas City* which peaked at No.14 last August. The trio are the only act in ARIA Chart history to have had more than two of their singles spend more than a year in the top 100 with *UFO* (58 weeks), *Pictures* (61 weeks) and *I Love It* (an Australian artist record 73 weeks) giving them that record.

**ALBUMS.** For the first time in several weeks, we have a different line-up for our top 5. No.1 is Lily Allen's *It's Not Me, It's You* pushing *Only By The Knight* by Kings Of Leon into No.2 for the first time this year. *Only By The Knight* had been sitting at No.1 for the first nine weeks of this year. The other new addition to our top 5, is The Fray's new self-titled album which has pushed P!nk's *Funhouse* out of the top 3 since it's release in November 2008. Elsewhere in the charts we see a few bullets; Leonard Cohen's *The Essential 3.0* has leaped from No.17 to No.11 as he leaves our shores to continue touring. Coldplay fans are getting ready for the Australian leg of their tour which will kick off in Perth at the end of this month and has pushed *Viva La Vida* from No.23 to No.13 this week.

**No.1 IT'S NOT ME, IT'S YOU** – Lily Allen. After the success of her debut album, *Alright Still* which hit No.7 in August 2006 and was also accredited gold, Allen decided that for the music on her next album she was going to take a different direction. She recorded this album at Eagle Rock Studios in Los Angeles with producer Greg Kurstin and it seems like this new direction is a successful one, as it's given her first No.1 spot in Australia and it has also debuted at No.1 in the UK this week. All of the songs on this album are written about her life and experiences past and present. The release of this album was postponed after Allen suffered a miscarriage with partner Ed Simons of The Chemical Brothers.

**No.3 THE FRAY** – The Fray. The boys from The Fray will inevitably be hoping to match the performance of their last album; *How To Save A Life* which hit No.1 in March 2007 and was also accredited with platinum sales. *The Fray* debuted at No.1 this week in the US Billboard charts, and with its No.3 debut entry here, it's not off to a bad start! For this album they used the same production team from the first album Aaron Johnson and Mike Flynn. The Fray is made up of Isaac Slade (vocals and piano), David Welsh (guitar), Joe King (guitar) and Ben Wysocki (drums).

**No.21 THE REBIRTH OF VENUS** – Ben Lee. Lee has recreated Botticelli's painting of the Birth Of Venus for his album cover, and it features himself standing in the clam shell with his wife Lone Skye and fellow band mates in costume. Lee has dedicated this album to Venus, the Goddess of Love and Beauty, hence the album cover! Lee's highest charting album so far has been the double platinum accredited *Awake Is The New Sleep* (No.5 Oct. '05), followed by *Ripe* (No.11 Sep. '07) accredited gold, then *Breathing Tornados* (No.13 May '99) also accredited gold then *Hey You, Yes You* (No.45 Nov. '02) and lastly *Into The Dark* (No.97 Oct. '05). Lee has pledged that a portion of the profits made from this album will be donated to FINCA International's Village Banking program which provides banking services to the world poorest communities.

**No.41 LONELY ROAD** – The Red Jumpsuit Apparatus. The Red Jumpsuit Apparatus, originally from Florida, are quickly winning fans with this latest album with debut entries of No.35 on the Canadian charts and No.14 on the US Billboard Charts. The band for this album consists of Ronnie Winter (Vocals, Guitar), Duke Kitchens (guitar), Joey Westwood (bass), Jon Wilkes (drums) and Elias Reidy (guitar). However Reidy left the band soon after they finished recording *Lonely Road*. Their debut album was *Don't You Fake It* but *Lonely Road* is the first album of theirs to break the top 100.

**No.42 DANCE BITCH** – Fatboy Slim. Fatboy Slim aka Norman Quentin Cook is currently here as part of the Good Vibrations Festival. This latest album is a compilation of tracks and remixes from some of the biggest names in the music industry like Santogold, Gorillaz and The Chemical Brothers. Fatboy Slim has had a line of successful albums to chart here including *You've Come A Long Way, Baby* (No.2 Feb. '99) accredited triple platinum, *Halfway Between The Gutter And The Stars* (No.6 Nov. '00) accredited gold, *Fatboy Slim Live on Brighton* (No.27 Mar. '02), *Palookaville* (No.51 Oct. '04) and *Greatest Hits: Why Try Harder, The* (No.4 Jul. '06) accredited gold.

**No.68 ASTRAL WEEKS LIVE AT THE HOLLYWOOD BOWL** – Van Morrison. *Astral Weeks Live At The Hollywood Bowl* was originally recorded in 1968 when Morrison was only 22 years of age. It came in at No.19 on *The Rolling Stones* 500 Greatest Albums Of All Time and has also been inducted in the Grammy's Hall Of Fame. Forty years later, Morrison recreated this concert, though instead of making an exact replicate of the original album he altered the arrangements and songs, showing that like himself, they have changed and evolved over the last 4 decades. Keeping purely to the top 50, Morrison nearly has a hit in every year since 1988; *Irish Heartbeat* (No.29 Aug. '88), *Avalon Sunset* (No.30 Jul. '89), *The Best Of Van Morrison* (No.17 Oct. '98) accredited platinum five times, *Enlightenment* (No.39 Nov. '90), *Hymns To The Silence* (No.31 Oct. '91), *Best Of Vol. 2* (No.28 Mar. '93), *Too Long In Exile* (No.4 Jul. '93) accredited gold, *A Night In San Francisco* (No.12 May. '94), *Days Like This* (No.16 Jul. '95), *Best Of Van Morrison Volume 1* (No.21 Mar. '96), *The Healing Game* (No.17 Apr. '97), *The Philosopher's Stone* (No.28 Jul. '98), *Back On Top* (No.13 Mar. '99), *Down The Road* (No.7 Jun. '02) accredited gold, *What's Wrong With This Picture* (No.37 Nov. '03), *Magic Time* (No.15 May '05), *Still On Top – The Greatest Hits* (No.15 Jan. '08) and *Keep It Simple* (No.43 Mar. '08).
